Jennyfo1010@gmail.com linkedin.com/in/jiaqianfu

PERSONAL SUMMARY

Business operations professional with experience in B2B operations, e-commerce operations, and customer coordination. Experienced in managing business processes, tracking SLA/KPI performance, handling customer requests and resolving operational issues. Comfortable using Excel, ERP, and SQL for data analysis, with hands-on experience using AI-assisted development to improve workflows and work efficiency.

EDUCATION EXPERIENCE

University of Jinan | Bachelor's degree in Advertising

Sep 2019 - June 2024

PROFESSIONAL EXPERIENCE

Business Operations

COMONE INT'L LOGISTICS PTE. LTD. | Singapore

Jan 2025 - Present

- Manage B2B e-commerce accounts including Taobao, Pinduoduo, Lazada, and Cainiao, covering customs clearance, transportation, and warehouse delivery while monitoring SLA and KPI performance.
- Handle import and export customs declarations for sea and land shipments, processing around 240+ cases monthly and nearly 300 during peak periods, including permit applications, inspections, and cargo release.
- Act as the B2B customer contact for daily requests and operational issues, coordinating with cross-border teams, warehouses, transport teams, and internal stakeholders to resolve issues.
- Use ERP, Excel, and operational data to track business performance and support monthly reporting; built a simple Streamlit tool with AI-assisted development to streamline reporting and improve work efficiency.

INTERNSHIP EXPERIENCE

E-commerce Operations Intern

KUAISHOU TECHNOLOGY | BEIJING, CHINA

Oct 2023 - Jan 2024

- Supported S+ 11.11 campaign operations by tracking merchant, livestream, category, and GMV performance, using data insights to support product selection, livestream traffic, and campaign optimization.
- Coordinated livestream plans with key merchants and creators, working with Product and Commercial teams on resource coordination. The team exceeded its GMV target by 7.2%, with daily GMV reaching RMB 29M+.
- Planned and executed merchant acquisition and reactivation campaigns, using CRM tools and marketing messages to drive a 45% month-on-month increase in active merchants and a 6.7 percentage-point improvement in livestream GMV performance.
- Supported the “Kuai Zhizao” project by screening target merchants, conducting merchant outreach, and assisting with product selection analysis and SOP development.

Product Operations Intern

DIGITAL HAINAN CO., LTD. | HAIKOU, CHINA

Jul 2023 - Aug 2023

- Supported the development and maintenance of the “Haiyiban” mini-program, creating prototypes with Axure/Figma and preparing PRDs and SOPs while coordinating with developers on feature improvements.
- Collected user feedback and tracked product usage, supporting new feature testing, community operations, and market research for campaign planning.

Growth Marketing and Operations Intern

BEIJING MAFENGWO NETWORK TECHNOLOGY CO., LTD. | BEIJING, CHINA

Apr 2023 - Jul 2023

- Managed Xiaohongshu content and a 3,300+ member private community, generating 8,000+ weekly views and increasing private-domain conversion by 86% week over week.
- Supported offline community events, KOL/KOC partnerships, and livestream marketing, contributing to 250+ event participants and RMB 75K+ in weekly GMV.
